Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	There is no infrastructure to support new homes in the Horsham area. Before new houses are built there is a desperate need of a local hospital to take the pressure off East Surrey and to reduce the travelling time for patients The roads in the vicinity of this proposed development are

extremely busy already with the queue to the roundabout from Roffey regularly backing up to Church road and beyond in the morning making it difficult to get out of Lambs Farm road

Kind regards
