Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	With regard to the pipe under our property the statement by Southern Water that it is the responsibility of WSCC is incorrect. We contacted WSCC in 1999 when we were building an extension and they advised us that responsibility for the pipe passed to the school when it became Grant Maintained. Before this application is approved we request that legal responsibility for this pipe is clearly established.

Kind regards
