Subject: Fwd: Confirmation of BMCL site registration - RC162 - 13334A - New House Farm

Dear Mr Walton

Please find below confirmation of site registration under the low impact licence scheme (the bat licence). Could you please liaise with Arun Ecology (copied in) to arrange a date for the works. They will provide an ecologist to supervise when the tiles are removed. If you have any questions, please do not hesitate to contact me.

Kind regards

James

Subject: Confirmation of BMCL site registration - RC162 - 13334A - New House Farm
To: James Pattenden (Guest)

Dear Mr James Pattenden,

Thank you for submitting your site registration form (13334A) for New House Farm, Old Crawley Road, Faygate, Horsham, West Sussex, RH12 4RU. Grid Reference: TQ 203331

Based on the information you have provided, Natural England is satisfied that the works fall within the remit of WML-CL21 and that the three tests have been met. Please accept this email as confirmation that the site is now registered and you can commence works on site as described in your site registration form and in accordance with class licence WML-CL21.

Details of Natural England Charges:

Natural England has considered the Charge Screening Form submitted with your Site Registration and we agree with your assessment of charges.

Confirmation of your Site Registration will be charged at a fixed price of £135.

Please find attached a licence return form which you must complete and return to Natural England (BatLowImpactCL@naturalengland.org.uk) within 4 weeks of completion of licensed works. If works will continue longer than you have indicated in your site registration form, please inform Natural England as soon as possible; otherwise, your licence return will be expected no later than 28th December 2026.

If you have any further queries in relation to this site registration, please do not hesitate to contact us on our email address below.

Kind regards,

Natural England
