Dear Marie,

I am satisfied the proposal will not harm the character of the conservation area. Please carry on and include the following condition.

Regards,
Seán

LB04 Roof Lights

Regulatory Condition: The roof lights hereby permitted shall be metal framed and sit flush with the roof slope.
Reason: To ensure that the significance of the designated heritage asset, and the character, appearance and integrity of the building, is not prejudiced, thereby preserving the special architectural or historic interest which it possesses, and to comply with Policy 34 of the Horsham District Planning Framework (2015).
