**Reasons for comment:** - Other

**Comments:** I fully support the completion of this long awaited project. The  
atsroturf surface and associated net will provide a suitable  
practice area for the whole club, Juniors and Seniors. The Junior  
training programme will benefit from having a safe area for the  
Juniors moving into hard ball cricket to practice. The Seniors will  
be able to warm up properly before matches.  
The location of the base doesn't interfere with the pitch and with  
a small ground it has been sensibly placed.

Kind regards
