Reasons for comment:	- Highway Access and Parking - Other
Comments:	if the site is for Gypsy and travellers this will mean it is visited by people who do not know the road or access well and could mean a higher turnover of vehicles coming and going. The access is not good. There is poor visibility both left and right. The A281 is a very busy road which will be an impediment. I am sure more suitable sites could be found with freer access that would not endanger those using the site.

Kind regards
