Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment
Comments:	Horsham is becoming overdeveloped. Local amenities cannot cope with further development. I work at the local hospital and all departments are at full capacity, we cannot absorb a higher population. GP surgeries, dentists and pharmacies are in the same situation. We cannot keep agreeing to developments without expanding public services. The plot next to the hospital was recently available but was not proposed for redevelopment. Developers regularly promise amenities and then somehow pull

out of obligations as they are for some reason never under contract to do so by the council. So please stop over expanding housing. Horsham and it's health services are already full

Kind regards
