Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment
Comments:	I object to this development ---too many dwellings for the area-- Doomsday Lane is already a rat run for traffic and as a pedestrian I have to pick the quietist times of day to walk from home to the garden centre on the Brighton road. The extra housing will mean that most of the residents will use the lane to get to schools and to work. It is all very well to have a wildlife corridor but this will mean that

the wildlife will be channelled to the steep sided busy junction of
Doomsday Lane and Hammerpond Road and would likely be
killed.

Can the infrastructure cope--schools, hospitals and GPs?

Kind regards
