Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	lack of new medical/dental provisions, increase traffic on unsuitable roads - Doomsday is already a rat run and will only get worse as easier than trying to do St Leonards via Brighton Rd due to the often one way traffic on that road, removal of green field land supporting massive biodiversity, safety of pedestrians, traffic into town as no large supermarket this side so need to drive as lack of public transport, oversubscribed schools already

Kind regards
