Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	I would like to object to this planning application. The pictures taken of Cedar Drive are inaccurate, certainly not taken at a time when the nursery is open. The staff park on Cedar Drive / Easteds lane and causes poor visibility. little Barn owls have not kept to the travel plan on their previous applications as staff are meant to park in their carpark. If you visit between 8-6, the car park is empty unless children are being collected. The permanent structure will mean the size of the school will

increase bringing further parking problems.

Also with the school expanding this will bring further noise for residents.

Kind regards
