HORSHAM DISTRICT COUNCIL CONSULTATION

TO:	Horsham District Council – Planning Dept
LOCATION:	Windalls, The Street, Slinfold
DESCRIPTION:	Installation of solar PV panels to the existing detached garage roof and 2no. new EV charging points. Conversion of loft into habitable living space with rooflights to the eastern elevation. Replacement of windows, external doors and boot room
REFERENCE:	DC-26-0545
RECOMMENDATION:	Advice / No Objection
SUMMARY OF COMMENTS & RECOMMENDATION:	
No significant arboricultural concerns	
MAIN COMMENTS:	
The property is within the village Conservation Area. Recent tree removals and pruning works (Ref: DC/25/0103) have removed any significant constraints from tree shading to the proposed solar panel arrays. Future tree growth can be reasonably controlled in this respect in the future, without significant impact on public amenity.
