Reasons for comment:	- Other
Comments:	I offer support to this application. The application makes sense to offer a place to stay in the beautiful countryside. As a family we are patrons to the pub and have met with friends from further up country. Having the opportunity to stay and use the pub and local area to walk would be a great addition. We have camped at the site but would only do so in warmer months and that would be great to add more opportunity to visit the area.

Kind regards
