Reasons for comment:	- Design - Other - Overdevelopment
Comments:	There is a mast not 180 metres away at the entrance of North Heath Lane Business Park. Connectivity in the immediate area is

excellent and I don't see any reason for two towers to be so close together.

The scale of this mast is out of proportion and unsightly, and will be seen from many residents windows, including my own.

This structure is best placed on the corner of Parsomage Road and Wimblehurst Rd, near the entrance of the Horsham Enterprise Park.

Kind regards
