Received date: 05-jun-2025

Address: Storrington Secure Fields (Doodley Dogs) Northlands Lane Storrington RH20 3EZ

Regarding: Noise

Details: Contact Form rec'd stating: I wish to reiterate complaints about noise and dog fouling made in my response to planning compliance EN/24/0454 and the retrospective planning application DC/25/0450. 'Storrington Secure Fields' (see <https://g.co/kgs/tUz2kh2>) is used (without planning permission) for dog walking and training. No noise, dog or waste management is undertaken and the retrospective planning application does not contain any of these things either.

The residents of the hamlet of East Wantley are subject to repetitive barking from 7am seven days a week. Instructors also shout instructions which can be heard 100m away.

No waste management is in place resulting in poo bags being left in front of, or on, entrance gates to the two fields and in our domestic waste bins. This is shown in this Google photos album:

<https://photos.app.goo.gl/zQX3GKMLDXKsfgs1A>

Recordings of noisy dogs are here:
