1 The tree work to which this consent relates shall be carried out within two calendar years of the date of this consent.

Reason: To enable the Local Planning Authority to review the need for the works in the event of this consent not being implemented.

2 The tree work to which this consent relates shall be limited to:

(a) Carry out surgery works exactly as specified within schedule of proposed works submitted with application.

Reason: For the avoidance of doubt.

Note to Applicant
The applicant is strongly advised to ensure that the contractor carrying out the work is made aware of the above conditions. Should the works carried out exceed that which is permitted then it may be open to the Local Planning Authority to take prosecution action against any person who has caused or permitted this. If the applicant is unclear about any aspect of the specification for works, they are

strongly advised to contact the Council's Arboricultural Officer on 01403 215515 prior to the commencement of the works.

Note to Applicant
The applicants attention is drawn to the provisions of both the Wildlife and Countryside Act 1981, and the Countryside & Rights of Way Act 2000. Under the 2000 Act, it is an offence both to intentionally or recklessly destroy a bat roost, regardless of whether the bat is in the roost at the time of inspection. All trees should therefore be thoroughly checked for the existence of bat roosts prior to any works taking place. If in doubt, the applicant is advised to contact the Bat Conservation Trust at Quadrant House, 250 Kennington Lane, London, SE11 5RD. Details: Tel: 0345 1300 228; E-mail: enquiries@bats.org.uk

Note to Applicant
The Council notes that the tree(s) referred to is/are not within your property. Whereas the Council permits the works scheduled above, it should be stressed that the whole of the works may only be carried out with the consent of the trees' owner. The parts of the works in respect of foliage overhanging your property may be carried out under rights of Common Law, but you are advised that whatever is removed from the tree(s) remains the property of the trees' owner, and should be offered back to him/her. Disposal of such foliage by placing it within your neighbour's property without his/her consent constitutes fly-tipping, and is not permissible. This notice of consent in no way overrides the wishes of the tree(s) owner, nor should any inference be taken as such.
