Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	I object to these plans - yet another development on a green field!!! The access is restricted and the additional traffic involved will have an adverse affect on the existing properties. The houses in Furners Mead/The Daisycroft only have one exit - into Furners Lane. There is already all day parking in the road behind the car

park restricting the road to single track plus additional cars using The Bowling Club and the allotments throughout the year so that any more traffic like cars, delivery vans in this area is most unwelcome. The other problem I see is the footpath because without detailed plans it is difficult to see if this will be maintained. I hope so because this is regularly used and in fact could do with widening anyway to improve the uneven surface. We do not need more houses in Henfield anyway and we certainly cannot cope with more properties in our area for the reasons stated above. I hope planning permission is refused.

Kind regards
