Hi Stephanie

Thank you for the attached plans.

I see no issue if the school choose to award HDC with the commercial waste contract.

Many thanks

Hi Josh,

Thanks for the quick reply.

The main details are on the Proposed Site Masterplan attached – no.14 on the right side where the bin store is proposed to be located and onsite access road shown coming from Shooting Field.

If it falls under commercial waste collections and you have no comment that is fine, just would like to be sure.

Steph

Hi Stephanie

I have been unaware of this application, although this would fall under commercial waste collections.

Could you tell me where I can find the plans for the bin-store....save me trolling through the documents.

Many thanks

Hi Josh,

I hope you've been keeping well?

I am assisting my colleague Matt on Steyning Grammer school app DC/26/0322 and can't see your response on record yet. The bin store and service yard is proposed on the east side of the site with access off Shooting Field. I would be grateful if could let me know any comments/concerns your team may have with this?

Many thanks,
Steph
