Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: I am writing to support the application to change this property to Class E use. Having grown up around horses, I know firsthand how important specialist veterinary care is for the local equestrian community. I visit the area frequently, and because Horsham has such a strong horse network, having a high-class equine vet facility here makes perfect sense and I really can't see it causing any issues. It is a sensible, practical use of the building that genuinely supports the rural community and fits perfectly with the character of the area. I strongly hope the council approves this project.

Kind regards
