Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	I strongly object to all that has happened on this site which was mature norway spruce with normal 4 ft fencing around perimeter and a dirt track from Rowhook Rd, now 6 ft fencing and massive

new driveway the opposite side of the plot
thick dense woodland containing lots of wildlife , now stripped
bare . a massive hole dug and filled with rubble / waste ,trees
bulldozed in to high banks , natural water courses wiped out
,small tin turned large tall storage shed clearly not for horticulture .
I have full view of the site its encroched on my privacy ,
land levels drastically changed altering the natural watercourses .
clearly this is being developed for a builders yard .

Kind regards
