Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	According to the map there does not seem to be any access to our joint Klargestor with Westlands House as maintenance to that may be required over time as will maintenance from Klargestor to overflow pipes to the Gill at the bottom of the hill going north. Further we were promised a tree screen between us and the panels also the height of the cameras is not shown. Will the cameras need lighting again not shown.

Kind regards
