Reasons for comment:	
Comments:	We have had far too development in this small village (more planned off Church Lane). There is no facilities the bus service is very poor. There is no street lighting down leechpool or sandygate Lane, and no security. The road is so busy already with another entrance opposite. The speed of the vehicles is unbelievable, I was walking my dog along sandygate Lane the other day and had to hide in a hedge as the

bus was coming along at speed with other vehicles travelling well over 40! I felt unsafe

Kind regards
