Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	The local amenities are not adequate for this development. The traffic is already terrible. The loss of precious green spaces will significantly detract from the quality of life for existing residents. This is simply not the place for such a development.

Kind regards
