Subject: RE: Planning Application Consultation - DC/24/1364
Categories: Consultations

Dear Planning Team,
Please see the below comments raised by members in response to planning application SC/24/1364.

• It is noted that this is a modified re-submission of DC/24/0306 against which various comments were raised.
• The comments submitted by WSCC as the LHA, which advises that inadequate parking space would exist for two vehicles based on the Manual for Streets specifications, was noted.
• It is therefore regrettable that (it appears) reduced parking would exist should the extension take place as planned, putting greater pressure on on-road parking.
• Any material objections raised by the adjacent / neighbouring properties would also need to be considered, but no outright objections or other substantive comments.

With kind regards,
Lucinda
