Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	We support the removal of the trees. We have received warning that our house could be at risk of subsidence given the proximity to the large trees adjacent to our house and driveway. If the application is declined would you consider removing 2 out of the 4 trees to reduce the risk of root damage?

Kind regards
