Dear Shazia,

I have looked over the documents submitted for this application on behalf of EHL and suggest the following conditions be attached to any permission, if you decide to grant the application:

- Hours of work should be limited to 08:00 – 18:00 Monday to Friday; 09:00 – 13:00 Saturday; no work on Sunday or Bank Holidays. This is to protect the amenity of nearby residents and should include delivery and dispatch to/from site.
- The proposed plant must be maintained in-line with the manufacturers instructions in order to protect the amenity of nearby residential neighbours.

This department has no objection provided that these conditions are adhered to.

Best,

**Fiona Hiron**
