Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	Having worked on Chewton for the past year, the area could benefit greatly from any off road parking. With the school runs and any events happening in the church or village hall, the road can be quite chaotic. Any opportunity to get as many parked vehicles off the road should be utilised.

Kind regards
