Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	I am writing this to express my full support for the proposed installation of a new driveway, replacement fence, and gate at Chewton, The Street, Slinfold, West Sussex, RH13 0RR. My husband and I previously lived at 3 Church View, The Street, during a six-month tenancy starting in November 2022, and during that time we experienced firsthand the challenges associated with traffic and parking on The Street - particularly during peak periods linked to Slinfold CE Primary School. Regular school drop-off and pick-up times resulted in extremely limited parking availability, often leaving us no choice but to park a significant distance away

and return later in the hope of finding a vacant space.
In addition, the lack of consistent parking made it impractical to consider owning an electric vehicle, as there was no reliable opportunity to charge a car near our home.
The proposed driveway would provide the residents with the assurance of safe, reliable parking at all times, relieving daily stress and contributing to improved traffic flow and reduced congestion on the Street. I strongly support this improvement and believe it will have a positive impact on both the property and the surrounding area.

Kind regards
