Comments:	My young son is a member of the cricket club. The current club house is old and difficult to maintain. The changing rooms are not suitable for trans especially children and no changing facilities for mixed sex teams or sufficient for disabled sports people or spectators. The new designs are excellent and the changes since the last plans now put to rest any concerns. This club has been here since 1721, one of the oldest cricket clubs in the country which we should celebrate and have a clubhouse to be proud of which continues to be the hub of the local community.

Kind regards

Hi,
I've just submitted my support for the Steyping cricket club but auto correct has changed my comments to say the word trans! Is it possible to retract please. I was trying to say that the changing are not suitable for disabled cricketers or members of the public

Thanks
