Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment
Comments:	Unless the infrastructure is improved with this proposed increased population there is a need for a medical centre as there nearest doctors and dentists are a two bus ride to storrington or steining or a single trip to southwater (one per hour). Both approach roads

will require permanent yellow lines to enable safety with the increased volume of traffic It seems insane when animals get better medical facilities. It's seems insane with the increased population with other development not to have any medical provision in Ashington or is profit a higher priority.

Kind regards
