Dear HDC Planning,

I am contacting you on behalf of Wimblehurst Road Residents Association regarding Planning Application DC/26/1001 for a property located at 10a Wimblehurst Road, Horsham, West Sussex RH12 2ED.

This is for the erection of a two-storey front extension with pitched roof, two-storey and single-storey front extension, first-floor side extension and remodelling of roof with installation of roof lights to side and rear elevations and alterations to fenestration.

Case Officer: Shazia Penne.

After reviewing this Planning Application no objections to this have been raised by any member of our Residents Association. We support the extension and renovation of this property and we are of the opinion that sympathetic consideration should be given to this application.

Kind regards,

[REDACTED].
