These comments are made on a without prejudice basis and it is suggested you contact the case officer should you wish to discuss this matter further.

Note To Applicant:
Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

Right of Appeals

If you are aggrieved by the decision to refuse permission for your application, you would need to submit a planning application to seek approval for the proposed amendments. Please speak to your Case Officer for more details.
