Customer Details

Address:	Sage House High street Henfield, Horsham

Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	If this application is granted, there will likely be at least an additional 4 cars needing parking. There is very limited street parking out the front of the properties and as residents we struggled to park. The fact that we are not eligible for a parking permit is ridiculous. This results in those of us that work from home having to move our cars in the middle of the day to ensure we do not recieve a parking ticket. I think it's very unreasonable that we are not provided with a parking permit per property.

Currently many of the businesses park their vans on the high street all day, meaning we are unable to park.
Please consider this when looking at this application, as the additional cars will cause an issue for neighbours, unless you provide parking permits.

Kind regards
