**Change of use from agricultural to dog walking. Land Off Northlands Lane Storrington 1
Field Field Storrington**

Heritage Statement

The change of use from agricultural to dog walking has no proposed work, no construction and so there are no measures needed to mitigate the impact on the nearby listed building as there is no impact..

The land is also separated from the listed building and its curtilage by a fenced public footpath which has been used for dog walking for many years .

There are no material to be used
