Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping

Comments:

I strongly object to this development. The Henfield road is already so busy with traffic! I don't want any extra traffic unless it is essential for residents. We already have 2 other industrial estates on this road & cannot accomodate any more developments. It would have a big impact on the local environment which we indeed must protect.

Kind regards
