If Calling Please ask for:	Jacques Burrowes
Date:	29th May 2025

Dear Sir/Madam,

Install a high speed broadband cabinet that is less than 2.5 cubic meters.

New Place Farm Drovers Lane Pulborough West Sussex

I refer to your notification received in this office on 1st May 2025 concerning the above site.

I write to inform you that this Authority has no comments to make on the above proposal, however we would advise that a green colour for the exterior of the cabinet would be more appropriate/preferred due to existing green infrastructure (ie. lampposts) and vegetation in this location. The works can therefore be undertaken in accordance with the submitted details, together with the criteria contained within Part 16 of Schedule 2 of the Town and Country (General Permitted Development) Order 2015, as amended.

I trust this information is of assistance to you. Should you however require any further information or clarification please do not hesitate to contact the Case Officer as detailed above.

Yours faithfully

Emma Parkes
Head of Development and Building Control
