Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	My major concern is highways safety as Henfield Road is so busy also issues with cars speeding into the village and cars parked outside Wood Grange making it difficult for us to access and leave our property. The impact on neighbours will be severely impacted

by this only making things worse than they already are. In the past work on Wood Grange saw builders etc parking on our grass verges, and on the pavements making it dangerous getting out onto the road.

Kind regards
