Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	I am writing to object to this planning application on the basis that it will result in the over development to the west of the village

boundary. It does not form part of the Neighbourhood Plan, and appears to be another speculative application that will result in more traffic than the access to West End Lane can cope with.

Kind regards
