Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Other - Overdevelopment
Comments:	As residents of The Boulevard, we are concerned about the proposal submitted and we object. The houses in The Boulevard are relatively new and have been designed to provide a range of sizes and layouts. We would not want to see a precedent set for extensions such as this that would contribute to overdevelopment on an estate that has been so carefully designed and executed. In addition, this house comprises part of the gateway to The

Boulevard from the bridge across from Hills Farm Lane and the towpath from Tanbridge School. We would object to the symmetry of this gateway being altered due to this proposal.

Kind regards
