Dear Halima Chowdhury,

Re: NE ref: 495930 - Convert brick stable building into Ancillary accommodation Chantry Mill Chantry Lane Storrington West Sussex RH20 4AB DC/24/1466

Thank you for your consultation. Please note that for habitats regulations assessments where your authority concludes no likely significant effect, Natural England need not be consulted. We only need to be consulted where appropriate assessment is needed. I hope that this clarifies matters,

Subject: DC/24/1466 - HRA for bats
Importance: High

Dear Sophie,

DC/24/1466,
Chantry Mill, Chantry Lane, Storrington,
Conversion of small existing brick stable building into Ancillary accommodation. Installation of new windows and doors and rainwater goods. Repairs to roof and installation of 6 no. roof lights and photovoltaic panels to the roof of the stables. Installation of below ground sewage treatment plant. (Householder Application).

I refer to the above application.

I note your consultation comments relates to water neutrality when in fact our consultation request specifically sought your department's comments on the HRA for bats not water neutrality, please see the attached document.

I await to receive your department's revised comments soon.

Kind regards

Halima Chowdhury
