Reasons for comment:	
Comments:	The clubhouse is in desperate need of updating . The number of residents has grown considerably and will only continue to do so with all the development plans to the town . I think this warrants any proposed size increase . I strongly feel a new clubhouse would be a wonderful asset to the town , providing countless opportunities ,an upgrade to the very popular current usage . Even though the site is adjacent to businesses ,I'm sure the utmost consideration would be given to nearby residents .

Kind regards
