Customer Details

Address:	14 Martyn Close Henfield

Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	I fully support this application being a resident whose property adjoins the trees in question. The trees were last reduced in 2020 and this application reflects the timely need for sensible husbandry for the healthy maintenance of these trees.

Kind regards
