Good afternoon Robert

Thank you for your email, yes we are going to have tarmac.

I look forward to hearing from you soon.

Kind regards

Good afternoon, [REDACTED]

My colleague Marie has recommended this application for approval, which I am currently in the process of reviewing.

Before I can issue the decision, I would be grateful if you might be able to confirm what material would be proposed for the driveway- would this be tarmac? Or block paving? Alternatively, if you are still unsure about the material to be used we can attach a condition to secure the details of the materials at a later date (which would need to be submitted to us and approved in writing prior to the works commencing above ground floor level).

I would be grateful if you could let me know.

Many thanks,

Robert Hermitage
