Re revised plans for land West of
Ashington School by Bellway

Ref DC/23/0406

Dear Sir,

I am increasingly frustrated at having been given so little time to comment on the revised plans and also the fact that I cannot access HDC Planning Application DC/23/0406 on line! We were notified June 28 2024 & replies required by July 9 2024. Unbelievable.

I appreciate the revisions re Football Pitch, Sports Pavilion, increased Parking facilities, Landscaping, Drainage & Flood Risk, Heritage etc. To me these are just minor tweaks!

I still stand by my comments made on April 22nd and am concerned at

- 180 properties - higher density than original needs in our Neighbourhood Plan.
- Safety issues regarding access
- Lack of protection of Forest School
- Lack of infrastructure, to support a development of this size, locally
- Water Neutrality issue

I am concerned that this proposed development

does still not support the needs of Ashington as
stated in our Neighbourhood Plan e sanctioned by HDC,

There is nothing in these revised plans from
Bellway to change my original objection.

Yours sincerely
