Dear Sirs,

Your ref: DC/26/0568

Our ref: Variation to Application DC/25/0740 Condition 1 Block Plan for New Practice Net Base

Further to your invalidity letter of 10 April 2026, we enclose a PDF of the required Planning Statement setting out the explanation and justification for our proposal.

Our application seeks to vary Condition 1 of DC/25/0740. The associated Planning Statement from that original application remains unaltered. Whilst we repeat the context described previously, we have not included the example photographs of a base being laid and the synthetic carpet. These are available upon request or can be referenced in the Planning Statement for DC/25/0740.

Should any further information or clarification be required please do not hesitate to contact me.

Yours sincerely,

Jonathan Willis
