Description Reviews

This 5pmh sign is ideal for private sites and roads. The sign also displays a warning to beware of pedestrians in an effort to jump out at drivers and really get them to pay attention.

Delivery: Although these are made to order, this sign is usually dispatched within 24 hours, meaning you will have to wait no more than 2 two working days to receive it.

Material: This sign is made from hardwearing 3mm thick RA1 aluminium composite (often referred to as Dibond). Utilising two thin sheets of aluminium sandwiching plastic, this sign has no scrap value whatsoever. As such, it should not attract the attention of thieves
