Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	I object to the proposal of 150 new houses plus by Bellway, apart from the burden it would put on local schools and doctors I do not think the roads leading to the development could cope with anymore traffic that this development would create.

It is so very dangerous driving into the Thakeham area now the thought of even more traffic is ridiculous, this is a village not a small town with the infrastructure in place to cope with it. The road would have to be widened, but I don't think that would be possible either.

Please do not allow this to happen.

Kind regards
