Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	Strongly object to any more housing in such a small rural village. For every new home you can double or triple the amount of cars per household due to lack of transport and work in Thakeham .

We all have to travel on very narrow roadways to enter and exit.
What a ludicrous idea to build more housing. Farming land yes
absolutely, homes NO. We don't want any more deaths in the
village as we had recently.

Kind regards
