| Colgate Parish Council are disappointed that this is a retrospective application. There were some concerns regarding the loss of a car parking space? Colgate Parish Council would refer to the fact that the consultation letter refers to a different type of habitable space to the application on the portal. Otherwise no comments. |                                                                          |
