Hi Halima,

Re:
DC/26/0248 | Installation of solar PV array to concealed south and east facing inner roof slopes. | Shermanbury Place Brighton Road Shermanbury West Sussex RH13 8HF

There's no ecology info for this application, but the applicant has submitted a bat licence. Please are you able to seek from the applicant if there is a corresponding ecological report which should have been provided alongside this. It is exceptionally unusual to just have a licence.
