Dear Sir/Madam,

Town and Country Planning Act 1990 (as amended)
Town and Country Planning (General Permitted Development) (England) Order 2015
Application for Prior Approval under Schedule 2, Part 3, Class Q

Prior Notification for Change of Use and extension of an Agricultural Building to 3no dwellinghouse (C3 Use Class).

Monks Farm Honeywood Lane Okewood Hill Surrey

Further to the above notification which was received on 8 November 2024, I am writing to confirm that **prior approval is required and refused** for the following reason(s):

1 It has not been demonstrated to the satisfaction of the Local Planning Authority that the hard surfacing to the rear of the building was present on 24th July 2023 nor for a period of 10 years after this date. The development would not therefore accord with Class Q, Q.1(i)(vii) of Part 3 within Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015, as amended.

2 The development would be of a design and external appearance that would fail to reflect the characteristics and vernacular of the host building and rural locality. The development would not be permitted by Class Q, Q.2(f) of Part 3 within Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015, as amended.

Appeals to the Secretary of State

If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of this decision notice for a ‘minor commercial’ (shop front) application, and within 6 months for most other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries.

Yours faithfully
